EDUCATION

Tsinghua University

June 2025 (expected)

B.Sc. in **Fundamental Science (Physics)**

B.Eng. in **Electrical Engineering**

GPA: 3.82 / 4.00

PREPRINTS

- [1] X. Wang, **Sheng Zhao**, etc., X. Tong, and X. Yi, “Chi25-submission-1,” *preprint*, 2024, [PDF].
- [2] **Sheng Zhao**, J. Zhu, etc., and X. Yi, “Vr25-submission (rejected by imwut24a),” *preprint*, [PDF].
- [3] **Sheng Zhao**, J. Johnson, X. Yi, and Y. Yan, “Chi25-submission-2,” *preprint*, 2024, [PDF].
- [4] J. Johnson, M. Nebeling, etc., **Sheng Zhao**, and etc., “Cscw25-submission,” *preprint*, 2024.

RESEARCH EXPERIENCE

Note: '‡' indicates the project was led by Sheng. Projects under review are referred to by main topics.

Tsinghua University

Apr 2023 - Jun 2024

Advisors: Xin Yi

On-site, Department of Computer Science and Technology

- Avatar Facial Expression Scaling [1].
- 2 Factor Authentication on HMDs [2] ‡.

Tsinghua University

Nov 2023 - Jun 2024

Advisors: Bowen Zhou

On-site, Department of Electronic Engineering

- 1Image2NovelViewSV3D ‡: Singe Image Guided 3D Stable Diffusion for Novel View Image Synthesis.

University of Rochester

Jan 2024 - Sep 2024

Advisor: Yukang Yan

Remote, Department of Computer Science

- Virtual Agent for Mental Health [3] ‡.

University of Michigan, Ann Arbor

Jun 2024 - Sep 2024

Advisors: Janet Johnson and Michael Nebeling

On-site, School of Information

- Designing Intelligent Spaces for Collaboration in MR [4].

ACADEMIC SERVICE

Reviewer: ACM OzCHI (LBW) 2024, CHI 2025; AAAI ICWSM 2025; IEEE VR 2025.

SKILLS

Programming Languages

C, C#, Python, Java, MATLAB and Verilog.

Deep Learning

PyTorch, Sklearn and Diffusers.

Vision and Mixed Reality

Blender and Quest Pro Development.

Hardware

Microcomputer (MSP430, STM32) and Circuit Design.
